Banner 3rd could be the outcross bull you have been looking for. He is sired by the big bull Ball Dee Perfect Count that went to the Cattlemen's Expo last year. The size factor is assured through his dam's side. We are using a ¾ brother here at Rothbury that has been estimated to weigh over 2500 lbs. Banner 3rd is extra modern, trim and heavily muscled. He did well at the major shows.

Will history repeat itself in 1971. In 1969 we took Rothbury Cinderella Phyliss's calf to the International Bull Sale, he was the first Polled Champion and is still the record seller at \$6000.00 to the great Saraguay herd owned by Mrs. Pitfield. A top set of calves are being developed, they're sired by him. In 1971 Rothbury Cinderella Phyliss has really hit the jackpot, she has produced a tremendous big bull calf sired by Sir Leader, that is long and trim and sharp and ready for the seventies. Set your sights high, I don't think Super Leader 27th will disappoint you.

This is just a young polled heifer. One of the first calves of our polled bull, "Pleasant Dawn Mark". We hate to part with this calf, but in order to promote the Shorthorn Industry we have decided to enter in this sale. She has some of the best breeding behind her in the shorthorn industry today. Her sire goes back to Pleasant Dawn Approval and Pleasant Dawn Seal 2nd. Two bulls that have done Mr. Lloyd Hatch from Oak Lake, Man. and Mr. Harvey Fulton of Birtle, Man. a great deal of good. Her dam goes back to Scotsdale Warrior and Scotsdale Navarre from Mr. Bennett of Ontario.
